## Life Changing CD's on Our Book and CD Rack

Here are a few CD's you don't want to miss. Some are even **FREE!**

**Healing and Holiness by Vinny Flynn.** Do you want to live a joyful and fulfilling life pleasing to God? This CD is one of our top picks.

**Saying Yes to God: One Mother's Journey by Mary Vogrinc.** Light-hearted but solid example of how ordinary people can do extraordinary things, through trusting God, one day at a time.

**The Conversion of Roy Shoeman by Roy Shoeman.** Don't miss this one! An atheistic Harvard business professor has an amazing encounter with God while walking in the woods. He is shown his entire life, as in a near death experience. What follows is his search to find the religion that serves the God he met.

**Life Changing Stories of the Eucharist by Jesse Romero.** A retired L.A. Deputy Sheriff shares numerous incredible encounters with the life changing living Presence of Christ in the Eucharist, in his own life and in the lives of others. Full of surprises.

**The History of Salvation by Msgr. Deutsch.** Does this one sound boring? Believe me its not. In this amazing talk, based on his studies at Franciscan University of Steubenville, Msgr. Deutsch ties together all those seemingly odd and isolated stories in the Old Testament into a very convincing cohesive revelation of God's plan of Salvation.
